Dear Rockland Zoning Board,

My name is David Waldrip of 80 Green Street directly across from the property Sharon Kellaway and Fred Slinger are requesting a variance for. I fully support the variance of 8-16 Berlin Street to subdivide the property to two separate single family dwellings. This request is very reasonable and would have no adverse affect on the surrounding homes. If you have any questions regarding my support of the variance please contact me anytime.

Sincerely,

David Waldrip
